

KOREA CLUB

We intend to provide support for students who seek a deeper understanding of Korea's history, culture and language. Through activities and meetings, we hope to spread the Korean culture as much as possible. We intend on providing the needs for students and members to connect to a deeper level of understanding the Korean culture. We shall serve as resource for the campus population and become a catalyst for encouraging individual development as well as encouraging the development of teamwork and unity.

2010 Spring Semester Goals

1. To promote and spread the awareness of Korean tradition and culture.
2. To accommodate the club members in learning basics of Korean language.
