DRAMA CLUB

We intend to provide an arena for the students where they may indulge in the process of self-reflection and self-discovery through the experience of dramatic art. We shall serve as a resource for the campus population and become a catalyst for encouraging individual development.

2010 Spring Semester Goals

1. To present fresh and inspiring plays that will get people thinking about various issues of today.
2. To increase membership to 10 plus members.
3. To have at least one benefit recital during the spring semester.
