

GHUNGROO DANCE CLUB

We intend to share the culture and dance of India to the students of Soka University of America, Aliso Viejo. The purpose of Ghungroo is to spread the joy of Indian culture through dance to SUA and surrounding communities. Ghungroo performs two forms of dance, Bhangra, which is from Punjab, and this year we will be doing Bollywood dancing, made famous by Bollywood movies. The dance club meets twice a week (days and times TBA). Along with being a performing arts club, Ghungroo also brings the culture of India to SUA by putting on festival celebrations every year. Last year we celebrated Diwali, the Indian Festival of Lights, as well as Holi, the festival of colors. We will be celebrating them again this year so keep a look out for information about these fun festivals!!!

2010 Spring Semester Goal(s)

1. To have regular attendance at our meetings.
2. To create uniformity as a club.
3. To obtain more costumes to accommodate our large group membership.
