GREEN PLANET CLUB

We are a group of SUA students devoted to conserving, reducing and reusing the natural resources of our planet. Our mission is to serve, create and sustain a green lifestyle at SUA and in our community in response to growing environmental issues. Anyone who wants to preserve a healthy planet is welcome to join our club!!!

2010 Spring Semester Goal(s)

1. To raise awareness in an effort to improve environmental sustainability at SUA.
2. To have a food waste campaign once a semester.
3. To provide alternative means to reduce our waste on campus.
4. To have a successful Tupperware campaign.
