

ACTIVIST COLLECTIVE

(contact @ activistcollective@soka.edu)

We, the members of the Activist Collective club, as an organization on the SUA campus, intend to develop an environment supportive of organized, constructive, educational activism in a broad range of topics, including human rights, animal rights, environmental justice, social justice, and other specific cause-groups on SUA campus. In implementing this goal, we implement the following University principles: Foster leaders of humanism in society, Foster leaders of pacifism in the world, and Foster leaders for the creative co-existence of nature and humanity. We embody the University motto: “Be world citizens in solidarity for peace”.

OUR CLUB PURPOSE IS:

1. To facilitate communication between various activists (individual or organized) in our community, meaning both the school, our surrounding area, and beyond.
2. To encourage and support constructive activist actions in the arenas of human and animal rights, promotion of peace, environmental justice, etc..
3. To encourage both the members of the Activist Collective, and the members of our community, to learn more about get more involved in the current issues in the above-mentioned arenas.

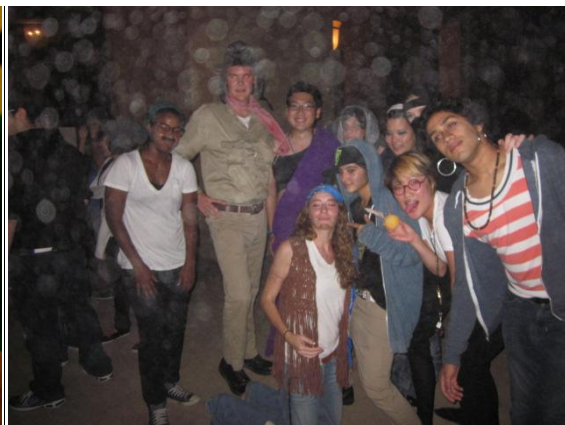

2012 Spring Semester Goal(s)

1. To work collectively to raise awareness of both local and global issues on campus
2. To find other students on campus who have shared interests in helping to better the world
3. To help create change, one person at a time
