Cats in Crowns

Description

The Cats in Crowns is Soka University’s brand new jazz big band club! Students of all musical backgrounds are welcome to join and learn about jazz and musical performance together.

Purposes

1. To provide students with a means of creative collaboration with one another.
2. To inspire our listeners and dissolve social boundaries through a collective appreciation of art.
3. To give students an opportunity to creatively express aspects of their lives and learn to perceive them in a positive way.

Club Goals

We will express the life of Soka in our performances

We will become out of the most musically adapt clubs on campus.

We will relay joy unto our club members and our audiences.
