Chinese Club Profile

Club’s mission statement - The purpose of the Chinese Club is to:

A. Provide SUA students with an opportunity to partake in cultural and linguistic activities relevant to those found in China, Taiwan, Singapore, Malaysia, Overseas Chinese groups, or any other national/ethnic/cultural group that has adopted elements of Chinese culture and language.

B. Develop a stronger relationship between the public, specifically the South OC community, and both SUA’s Mandarin Language Program and the SUA Chinese student body through community-based club activities (as well as other aforementioned nationalities and cultures within the student body).

C. Provide students with various opportunities for academic and occupational endeavors such as professor or student-led research pertaining to Chinese language and/or culture (as well as other aforementioned nationalities and cultures), preparation for language students attending study abroad, and internship networking and work experience.

D. Encourage dialogue regarding any political, social, or advocacy issue that is appropriate to the cultural and linguistic parameters.
