GLOBAL BRIGADES

Club’s Mission Statement
The Environmental Brigade’s mission is to empower students to promote sustainable solutions in rural communities in Eastern Panama and the Darien Provinces of Panama in order to reverse degradation and preserve the natural environment through reforestation, sustainable agriculture, waste management and educational programs.

2013-2014 Goals
• Ensure all members can travel to Panama on an Environmental Brigade for a low cost
• Have a constant number of members
• Promote the importance of environmental protection in Panama and across the world
