The Kendo Club is one of the oldest student organizations on campus. Kendo is a form of martial arts where the practitioners train their body, mind and spirit through the way of the sword. Here at Soka, we do our best to help each other out and work as a team. We have consistently placed in the Top 8 universities at the annual Harvard Shoryu hai and UCLA Yuhai Tournaments.

Inexperienced and experienced students are welcomed to join!

The Purpose of the SUA Kendo Club:

1. Provide an understanding of respect for others through proper training of kendo.
2. Promote individual development and cultivate a spirit of camaraderie through diligent practices.
3. Associate with others sincerely and forever pursue the cultivation of oneself (inspired by the All United States Kendo Foundation)
4. Represent SUA and its values to the off campus community and national level.
