Club Mission Statement: With the ichi*ri*ba* ch*ode* spirit, not only would we promote the Okinawan culture through the traditional performing arts, but we, the members, would also learn to accept and appreciate one another as our brother/sister.

Club Goals:
1. To provide the opportunity for students to learn about and experience Okinawan culture and performing arts
2. To inspire members to create personal determinations both within the club and in their lives
3. For members to experience the true “ichi*ri*ba* ch*ode*” spirit through Okinawan performing arts. (*Ichariba chode literally translates to “from the moment we meet, we are brothers and sisters.”)
